

Sample Elementary School Teacher

Summary of Qualifications

I am an early childhood education teacher with 15+ years' experience in third and fourth grade classrooms with multi-cultural student populations. In addition to a solid background in Common Core standards, I utilize my expertise in literacy and reading to provide differentiated instruction for students with IEPs, incorporating the latest technological tools to meet their challenges.

In addition to pedagogical experience, I have been active in faculty initiatives, most notably in developing anti-bullying strategies. I am also a designated faculty mentor for new incoming primary and middle grade teachers, a NYS Testing Coordinator, as well as Faculty Council Member of the National Junior Honor Society.

Certifications

NYS Permanent Certification:

Early Childhood Education
Reading

Professional Experience

Holy Child Jesus Catholic Academy, Richmond Hill, NY since 2000
Fourth, Fifth & Sixth Grade Science / Social Studies Teacher
Third Grade General Studies

After teaching third grade for 12 years, during which time I worked with students from a variety of cultures, most of whom were English Language Learners, I developed proficiency in working with ELLs, students with IEPs, as well as non-challenged students to cultivate an interactive learning environment.

In 2012, I transitioned to fourth grade classes, where I administered NYS standardized science curriculum testing in my lesson planning, in addition to teaching fifth and sixth grade social studies.
